

## **Oklahoma City ranks 49th in list of environmentally friendly cites** **By OKCBusiness Staff - 9/23/2008**

SustainLane released its annual list of environmentally friendly cities today with Oklahoma City making the list at No. 49.

SustainLane's survey ranks the largest 50 U.S. cities in terms of their sustainability practices in 16 categories.

Oklahoma City made the list of sustainability leaders in the water quality and metro street congestion categories. In the areas of housing affordability, water supply and air quality, SustainLane ranked Oklahoma City for Sustainability Advances. Oklahoma City ranked 50th in planning and land use and metro transit ridership.
